The background of the entire image is a reproduction of the Mona Lisa painting. The woman's face and upper torso are the central focus, with her characteristic enigmatic smile. The background shows the hazy, mountainous landscape of the painting.

An aerial photograph of a forest. A river flows through the center-right of the image, surrounded by dense evergreen trees. To the left of the river, there is a large area of deciduous trees with vibrant autumn foliage in shades of yellow, orange, and red. The overall scene is a mix of green, yellow, orange, and red, with the blue of the river providing a strong contrast.
