2025 Catalog

Featuring greeting cards, gifts, and stationery

from The New Yorker, NL Studios, & more.

Our Story

A unique card. A thoughtful handwritten note.
A gift wrapped in exquisite paper.

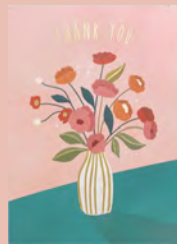

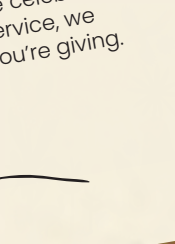

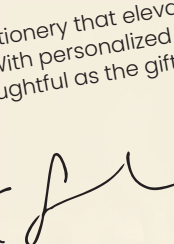

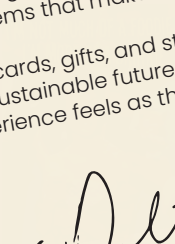

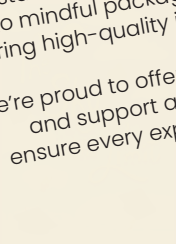

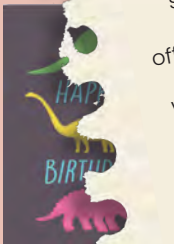

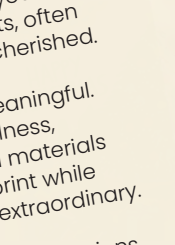

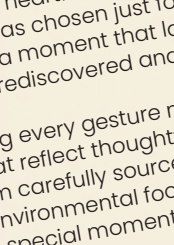

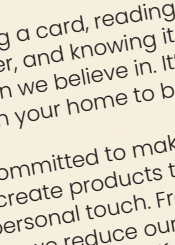

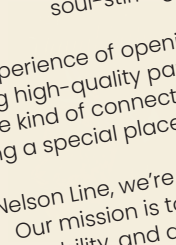

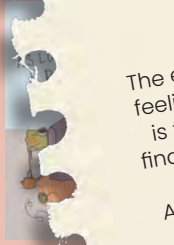

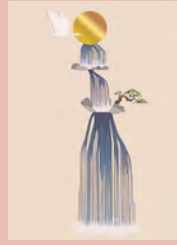

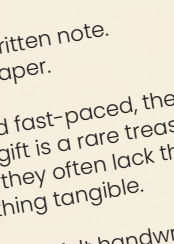

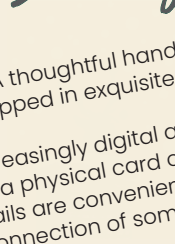

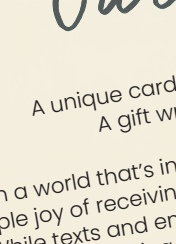

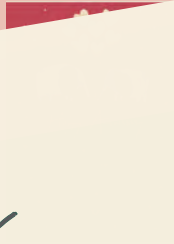

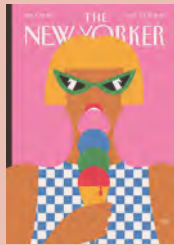

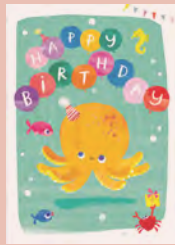

In a world that's increasingly digital and fast-paced, the simple joy of receiving a physical card or gift is a rare treasure. While texts and emails are convenient, they often lack the soul-stirring connection of something tangible.

The experience of opening a card, reading a heartfelt handwritten note, feeling high-quality paper, and knowing it was chosen just for you—this is the kind of connection we believe in. It's a moment that lasts, often finding a special place in your home to be rediscovered and cherished.

At Nelson Line, we're committed to making every gesture meaningful. Our mission is to create products that reflect thoughtfulness, sustainability, and a personal touch. From carefully sourced materials to mindful packaging, we reduce our environmental footprint while offering high-quality items that make life's special moments extraordinary.

We're proud to offer cards, gifts, and stationery that elevate celebrations and support a sustainable future. With personalized service, we ensure every experience feels as thoughtful as the gift you're giving.
