Monet

An impressionist painting of a harbor scene. The sky is a mix of warm orange and red tones, suggesting a sunset or sunrise. A bright red sun is visible in the upper right. The water is rendered with various shades of blue, green, and white, showing reflections of the sky and the sun. In the foreground, a dark boat with several figures is visible. The overall style is characteristic of the Impressionist movement, with visible brushstrokes and a focus on light and color.
